

National Barrel Horse Association
ND 01 Newsletter
April 14, 2021

Hi Everyone,

I hope everyone is ready for barrel racing. Finally got all locations confirmed for the summer.

Some changes for the runs will be that the Pee Wee's will be getting payouts for their runs. Must run at three runs to be eligible for district final prizes.

We will still do the online entries as we did last year and follow the CDC guidelines as far as social distancing. All payouts will be done through PayPal.

All district directors discussed with the state director putting some rules in place for eligibility to receive district awards. As everyone knows it is extremely hard to get volunteers at the runs. All district directors agreed to implement these rules for this summer. The attached sheet includes the rules for ND 01.

It has been suggested that we have a catalog for prizes this year. Other districts have done this, and we are going to try it for this year. If you have suggestions to put in this catalog, please let me know.
