

District 00 Process

There will be prizes awarded in district 00. It is not required by nationals, but it was the groups decision that if we are going to implement District 00, that the members would like awards to be apart of it.

Members that would like to participate in this district would need to do the following:

- For an event they want to have “points” count for, the constant will submit a request through the ndnbha website by 12 pm the day prior to the event. This request is to be made through website only. The format the request will need to made is:
Name
of horses running
What events will be participating in (open, youth, etc.)
- Runs will not exceed 18.
 - Example
You run in Bismarck both go’s but tip this still counts as 2 runs.
- If the member does not to attend an event after requesting to have count for points this will still count as one of their runs. If an event gets cancelled by the producer, they will still have those runs available for the remainder of the year.
- After the run has been completed, the producer/district will provide results within 3 days to the state director. From there, the state director will forward to the 00 director and they will have points posted to the ndnbha website within 7 days.
- There will be a checkbook kept for this account and the district director and state director will both be on.
- To qualify for awards members will be require to help at two statewide events and get a \$250 sponsorship or sell \$450 in raffle tickets. The sponsorship and ticket cut off will be August 1, 2021.
 - Example – A member sets barrels at Valley City and then in Devils Lake. This counts as two events.
