

## **ND04 2021 Member Rules**

Happy 2021 are you ready to get this season rolling? I sure am!!! ND 04 has grown a lot over the last year and we are going to be making a few changes to make improve prizes for the members in our district.

1. You will need to sell \$400 in raffle tickets (40 tickets) or get a \$200 sponsorship. This will be required to earn year end prizes for all classes. Example: if you are a youth runner and an open runner you will only be required to do \$400 in tickets or \$200 sponsorship. Cutoff date to sell raffle tickets/receive sponsorship is August 1<sup>st</sup>. If you are requesting raffle tickets, you are expected to sell these tickets. There will be two different sets of raffle tickets. One for the state finals and one for the district finals.
2. You will need to volunteer to set barrels at 2 races. This will be required to earn year end prizes. There will be a sign-up sheet for each run. This is a statewide requirement for 2021. By having this a requirement, we will hopefully eliminate costs for our producers and possibly get more added money at each run.
3. NBHA membership number will be required when entering for each barrel race.
4. Results from each run will be required from the producer to the district director within 24 hours of the conclusion of the run. After the results are received, they will be posted in the ND NBHA website within 48 hours with updated points.
5. The fees for reach barrel race will be the following.
  - a. Open
  - b. Youth
  - c. Senior
  - d. PeeWee
  - e. Poles
  - f. Office Fee \$10
  - g. Non-Member Fee \$10 (Membership can be purchased at the run)
